FULL TIME RMT Job Opening!!

LCP Health

We are looking for **Registered Massage Therapists** to work in Yellowknife, NWT. The clinic is located in the heart of downtown with dedicated treatment rooms for therapists. This is an excellent opportunity to work in a high-yield environment in the "Diamond Capital of North America."

Yellowknife boasts the highest average household income in Canada, a high employment rate and is an extremely multi-cultural environment; providing many opportunities for a wide variety of cuisine and activities. Yellowknife also offers a number of local amenities including: excellent schools and an educational incentive for post-secondary education paid for by the Government of the Northwest Territories for children graduating in the North, an indoor swimming pool, a farmers market, a recreational complex and several gyms as well as a local brewery. The hiking and biking trails are unparalleled and the North provides amazing scenery with excellent fishing and of course aurora viewings.

The clinic is situated in the heart of downtown so your commute will likely be as short as 10-15 minutes. Plus, after work you could be on the water of Great Slave Lake relaxing within the same amount of time. The quality of life afforded by working in Yellowknife is tremendous and very rewarding and the cost of living is comparable to Alberta, British Columbia and Ontario.

Join our multi-disciplinary team and treat clients in a spacious, modern and bright treatment room alongside other professionals offering physical therapy and counselling services. Our team includes full time receptionists that oversees online scheduling and bookkeeping as well as our joint marketing and social media. The volume of in-house referrals as well as out-sourced laundry/cleaning will allow you to focus on your role of healing clients. In addition, we accommodate your preference for preferred shifts and full caseload - all this allowing you to practice with the security of knowing you can have your own practice and work your own schedule.

We are hiring a motivated and outgoing RMT who is comfortable performing athletic, therapeutic, pre-natal and relaxation massages in a health clinic environment, with full electrical plinths for your comfort and optimal ergonomics in mind. If you are looking for a company that understands the importance of teamwork promotes a positive working environment and allows for personal growth, we want to hear from you.

Qualifications:

Successful completion of a Certified Massage Program in Canada is required. The massage therapist must be a member of a Canadian Massage Association or NHPC with a license number for the purpose of client's insurance program coverage. New graduates are welcome.

In addition, a successful candidate should possess the following qualities:

- Provide exceptional customer service
- Demonstrate strong technical skills
- Project oneself in a professional, enthusiastic and friendly manner
- Participate in a team approach
- Be willing to perform to clinic standards

Compensation:

Full caseload with high hourly commission rate starting at 65% to 80% with no additional fees for laundry and supplies deducted, as well as no "extra" tasks required within your role.

A sign on bonus offered, relocation expenses paid, professional development incentives as well as an annual bonus offered.

Education Level: 2200 hours diploma

Position Type: Full-Time

Send your resume to: admin@lcphealth.ca
